

From The Desk of Our Volunteer Coordinator

Mrs. Chantea Palmer

Greetings!

I would like to take this time to thank all of our volunteers who have taken time out of their busy schedules to join us in the fight to end hunger in Galveston County! Whether you've volunteered in our pantry, assisted with our sorting efforts, packaged boxes for our homebound program, or shared information about us on social media; only through your efforts can we achieve our mission of helping feed the hungry in Galveston County, and we

thank you from the bottom of our hearts! Volunteers are the heartbeat of the Galveston County Food Bank. Without you, our day-to-day operation would not be as successful as it is!

Our volunteers are **Very** important to us for all of the **outstanding** things that you do; the outpouring **Love** is shown through your dedication; your **Understanding** and willingness to uphold our mission **never** ceases to amaze us. **Together** we fight to ensure no one goes hungry; **Enthusiasm** never lacks because our volunteers truly **ENJOY** doing what they do and are **ready** at a moment's notice because you truly are **SPECIAL** individuals. We pledge to continue to build a workplace that you would love to come back to, and tell others so that they can one day share in the same experience.

As you know, this is Volunteer Appreciation Month and what better month to kick off our new Initiative than to highlight our Volunteer of the Month, as well as our Group of the Month. We're excited to share all of the great things that are happening at the Galveston County Food Bank, and we cannot do it without highlighting those who have had the greatest impact, such as you!

Please be on the look-out for all the great things that we have upcoming! You can find all information on our social media (Facebook, Instagram, etc.), our website (galvestoncountyfoodbank.org), and our Sign Up page (link found on our website). Just remember, it takes ONE person to make a change; ONE group to make a difference; and ONE community to make an impact.

Thank You!
